YOUR TURN — DRAW THE DAISY HERE

DRAWING TIPS

- Start with light pencil lines.
- Keep the flower centre fairly small.
- Let petal lengths vary slightly.
- Do not make every petal identical.
- Add details only after the basic shape looks right.
- Keep most petals bright when shading.

COLOURING IDEAS

- White Daisy — white petals with pale grey shadows
- Yellow Centre — bright or golden yellow
- Pink Daisy — soft or bright pink petals
- Lavender Daisy — pale purple petals
- Stem and Leaves — light or medium green
